

PUBLIC NOTICE

Canadian Navigable Waters Act

The City of Fort St John hereby gives notice that an application has been made to the federal Minister of Transport, pursuant to the Canadian Navigable Waters Act, for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act, the City of Fort St John has deposited with the Minister of Transport, on the on-line Navigable Waters Registry (<http://cps.canada.ca/>) and under the NPP File Number 2020-502403 and Registry Number 1600 a description of the following work, its site and plans:

Placement of a temporary (five days) three-piece barge and completion of three test bore holes within the stream bed of the Peace River, adjacent to the City's existing well field which is located on the north bank of the Peace River, approximately 6 km upstream of Taylor, BC.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above under the Comment section (search by the above referenced number) or, by sending your comments directly to the Navigation Protection Program Pacific, Suite 820 – 800 Burrard Street, Vancouver, B.C., V6Z 2J8 if you do not have access to the internet.

However, comments will be considered only if they are in writing (electronic means preferable) and are received not later than 30 days after the publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.

For more information contact Victor Shopland, General Manager of Integrated Services, at 250 787 8150 or email vshopland@fortstjohn.ca.
